Summary of the Contest

- **1. Entry Classes:** The Classes in which entries are submitted have been changed to: People, Animals, Plant/Flora, Scenic, Architectural Elements, Still Life, Hat Tricks and Magic, Photo Story, Black and White and 4-H Theme.
- **2. Number of Entries:** A 4-H youth may submit up to 5 entries. However, each entry must be in a different class. Photographs cannot be dually entered into more than one class.
- **3. County Submissions:** County 4-H Agents can submit all Blue Ribbon placed photos into the State 4-H Photo Contest. However, each youth cannot submit more than 5 entries
- **4. Eligibility of Photos:** All photographs must have been taken by 4-H members within one year of the date of the photo contest state deadline (June 1 of the previous year).
- **5. Previous Winners:** Previous Best In Show winners, are eligible to compete again but not in the same photo class. For example, a Best In Show junior winner in the Animals class can compete again by submitting a photo in another class.
- **6. Size of Photo:** Photos submitted must be 8" x 10".

When submitting printed photos they must be mounted properly for an overall maximum size of 8" x 10"

When submitting photos electronically, photos should be at least 800 pixels by 1000 pixels and saved as a JPEG. The ideal 8x10 quality is 2400 pixels by 3000 pixels, which is the same as an 8x10 photo at 300 dpi (resolution). Any higher variations of the 8x10 ratio are fine. The best way to tell is to take the lower pixel number and divide by the higher pixel number. If you get 0.8 then you've successfully hit the mark.

If your photos have a different pixel ratio you may still submit. However the photos will be judged using the 8x10 pixel dimensions. Which may cause your photo to appear stretched, compressed, or distorted. If you view a photo's properties on your computer it will tell you the width and height in pixels. If you are looking for a way to resize your photo, this website has received great reviews:

Additional resources and instructions for mounting are available on the State 4-H Web at the Photography Contest site.

If a minor is in the photo, the signature MUST come from their parent or guardian. If the adult or parent/guardian will not sign the Model Release, then do not submit the photo into the contest.
